About Us

Founding Statement

Sisters Place was founded in 1993 by members of local Catholic congregations of religious women in response to the Gospel imperative of love of neighbor and service to the homeless and impoverished in our community.

Mission Statement

Sisters Place faithfully provides opportunities for families and individuals to overcome poverty and homelessness through empowerment, housing, wellness, personal and professional advancement services.

Vision Statement

Sisters Place strives to be a collaborative community asset that eliminates barriers to success for those experiencing poverty and homelessness.

Dear Friends of Sisters Place

After 32 years of service, Sisters Place will close its doors in May 2025. While this marks the end of our journey as an agency, the legacy of compassion, dignity, and empowerment we've built together will endure.

It has been an honor to walk alongside families as they found stability and strength. We are deeply grateful to our staff, volunteers, donors, funders, and community partners – your unwavering support made this work possible.

Though the chapter is closing, the stories of resilience and transformation live on in the lives we've touched. Thank you for being part of this remarkable community.

With gratitude,

Damian Gilliard
Board President

Interim Executive Director
